

He would've been 76 years old today. It's 25 years since legendary composer Madan Mohan passed away at the young age of 51. Music and trends have since changed. But the magic of his scores in films like *Adalat*, *Anpadh*, *Woh Kaun Thi*, *Mera Saaya*, *Jahanara*, *Haqeeqat*, *Heer Ranjha*, *Hanste Zakhm*, *Mausam*, *Laila Majnu*, among various others, still endures.

Encapsulating his musical magic is HMV's 5-cassette set and 5-CD set titled 'Legends Madan Mohan'. 86 gems include rare moments in the voice of Madan Mohan himself and some unreleased songs too.

Great way to immortalise the original Ghazal King.
